

Each number on the map stands for one truck

*See truck directions for information how to enter Sutherland Dr.
*A fire lane must be maintained at all times except for load-in and load out

- Trucks 1-2 will be parked in the two loading dock spaces
- Trucks 3-4 will be parked on the right side of the road at the cut-out at the top of Sutherland Drive keeping room for center lane
- Truck 5 and Catering Bus will be parked on the left side of Sutherland Drive in the cutout at the top of the street
- Buses 1-3 will be parked side-by-side in the parking lot connected to the PEC
- Buses 4-5 will be parked on the right side of Sutherland Drive below the loading dock entrance.
- Buses 6-8 will park on Terrace Street at the bagged meters

Construction across street pinches street down to one lane, no parking is available in this area
